

FCA firmly believes that we have to be the leaders in showcasing **SAFE CONFERENCES** while still allowing the chiropractic family to **HAVE FUN AND LEARN.**

SAFE SPACE 2022

SAFE + CLEAN PLAN

Your well-being is FCA's #1 priority. Here's what we're doing to protect your health and peace of mind so you can focus on getting down to business.

Registration: We highly encourage you to register **BY THE EARLY BIRD DEADLINE** SO THAT WE CAN MAIL YOUR BADGE AND reduce the wait time in line! When you do arrive, we will have ample ability for you to socially distance while waiting in line. Plexiglas shields will be placed on registration counters. Health Screening Questions will be asked in a touchless manner.

Exhibit Hall: Highly accessed areas will be widened, eliminating close contact as much as possible. Nightly cleaning of all touchable surfaces throughout the show-floor, and exhibitor education of best practices are just a few ways we are ensuring everyone's safety throughout this event.

Masks will be provided for attendees or vendors who want one. Masks are kindly provided by our sponsor ScripHessco.

F&B will be provided in a safe and clean way that is in compliance with CDC & hotel guidelines.

Each classroom will have ample capacity seating allowing distance from other attendees.

Hand sanitizer stations will be available throughout the event. Touchless hand sanitizer stations will be plentiful throughout the venue and in trade show floor.

Health Acknowledgment: Please make sure that you have reviewed any advisories or restrictions that may be in place for travel to Florida. Visit floridahealthcovid19.gov/ travelers for information. By entering this event, you are confirming that you and all persons in your party are not experiencing any symptoms of COVID-19 identified by the CDC, have not been in contact with someone with confirmed or suspected COVID-19 symptoms without completing a 14-day quarantine, and are not under any self-quarantine orders. Attendees and exhibitors who cannot confirm all of the above criteria must not enter the FCA event.

Symptoms of COVID-19 identified by the Centers for Disease Control and Prevention at CDC.gov, include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Please note that these safety measures will be updated based on current CDC recommendations and local regulations.

[Complete safety considerations, cancellation policies and terms of use for FCA events will also be provided during the online registration process.](#)

THANK YOU FOR RESPONDING! 70% of responders to FCA surveys tell us that they want to get back to events with appropriate safety procedures in place. We look forward to welcoming you! Attendance is very much a personal, individual decision and is not a mandate. If you don't want to return to live events just yet, please know that **online alternatives are available for you now on ChiroLearn.org** and many live options are being planned in this biennium. Your feedback is always important, as it guides our decisions in providing services to you.
