WELCOME TO THE NATIONAL

*Presented By The Florida
Chiropractic Association*

**Dr. Erika Hamer,
FCA President**

WELCOME TO THE NATIONAL — PRESENTED BY THE FLORIDA CHIROPRACTIC ASSOCIATION — the world's largest gathering in the chiropractic profession, bringing together world-class continuing education, the premier chiropractic trade show, and meaningful networking with industry leaders — all in one incredible destination. Whether you're a new practitioner, a seasoned doctor, a chiropractic assistant, or part of an office team, you've arrived at the ultimate chiropractic experience.

This year marks an exciting evolution of The National with a new Thursday–Saturday format, delivering three complete days of programming designed to maximize your learning, networking, and expo experience. From the moment the event opens on Thursday morning through the closing sessions on Saturday afternoon, every day is packed with opportunities to grow your knowledge, discover new solutions, and engage with colleagues from across the profession.

The National offers more than 150 hours of continuing education, including dedicated tracks for doctors of chiropractic, chiropractic assistants, new practitioners, and diplomate programs. Florida DCs can earn up to 20 hours toward license renewal, including all required topics such as Laws & Rules, Medical Errors, Ethics, Documentation & Coding. Most clinical courses are also approved in numerous states across the country, making The National one of the most valuable educational experiences available. Registered CAs and CCPAs are welcome to attend doctor sessions of interest, allowing entire practice teams to learn together and return home with new ideas and strategies for success.

The Expo Hall will be open all three days — Thursday, Friday, and Saturday — giving attendees more time than ever to explore hundreds of exhibits featuring the latest chiropractic technology, equipment, products, services, and practice solutions. Be sure to join us for our signature Saturday Sunday Celebration in the Expo Hall, featuring complimentary refreshments, entertainment, and exciting prize giveaways.

Hosted at the Hyatt Regency Orlando, The National combines world-class education, industry-leading exhibitors, networking opportunities, alumni reunions, and access to some of the profession's most respected speakers and organizations. Most importantly, it is an opportunity to reconnect with the chiropractic community, gain fresh inspiration, and return to your practice energized and prepared for success.

We are honored to have you with us and look forward to an incredible three days together.

Welcome to The National by FCA 2026!

2026 HONOREE

Dr. Ronald Fulmore

A respected chiropractic physician, educator, veteran, researcher, and community servant whose life's work has been dedicated to healing, faith, family, and service. Raised in Deerfield Beach, Florida, Dr. Fulmore served three years in the military before attending the University of South Florida, where he studied Liberal Arts with a focus in Medical Illustration.

After experiencing a life-changing automobile accident that left him paralyzed on his left side, Dr. Fulmore discovered the power of chiropractic care when traditional orthopedic treatment could not restore his health. That personal healing experience inspired his calling to become a chiropractor. He went on to graduate from Life Chiropractic College and has now been in practice for over 43 years, building a powerful legacy of care through Fulmore Chiropractic, which has served patients across Orlando, Altamonte Springs, and Sanford.

Dr. Fulmore's educational background reflects his lifelong commitment to whole-person healing. His credentials include Doctor of Chiropractic, Doctor of Theology, Doctor of Christian Counseling, Doctor of Acupuncture, and Diplomate in Nutrition. Throughout his career, he has continued to advance his knowledge in natural healing, nutrition, regenerative technology, and chiropractic technique.

A pioneer in chiropractic care, Dr. Fulmore worked with Dr. Sweat in developing and teaching the Atlas Orthogonal Chiropractic Technique, helping advance a specialized approach to upper cervical care. He is also proficient in Grostic, Toggle, and Diversified chiropractic techniques, allowing him to serve patients with a broad and highly skilled clinical approach.

Beyond his clinical work, Dr. Fulmore is deeply committed to community impact. He is the founder of Land of Hope, a 501(c)(3) nonprofit farm dedicated to organic farming and feeding thousands. He has supported more than 200 students with college scholarships and has created programs for youth education, social services, and community enrichment.

Dr. Fulmore has been married to his wife, Mrs. Denise A. Fulmore, an occupational therapist, for 42 years. Together, they have raised a family committed to health, service, and excellence, including Dr. Ronald Fulmore II, a chiropractor, and Dr. Camille A. Fulmore, a leading expert in neuro-biomedical technology research and stem cell science.

As this year's honoree, Dr. Ronald Fulmore is celebrated for his pioneering spirit, his dedication to natural healing, his leadership in chiropractic education, and his more than four decades of service to patients, families, students, and the greater Central Florida community.

Know someone interested in joining our profession?

The National by FCA provides a perfect opportunity for high school or college students interested in a career in chiropractic to meet with the many accredited chiropractic colleges exhibiting at the event. Interested students are invited to visit the expo free of charge and spend time with college representatives, learning more about entrance requirements and scholarship opportunities. If you know of someone interested in attending The National as a guest of the FCA for Career Fair, they can simply register at the On-Site desk during regular registration hours at the event.

ALUMNI CONNECTION 2026

Nearly all chiropractic colleges are present and many will be hosting an Alumni Event at The National by FCA. It's a way for alumni to catch up with friends and faculty, see what's new at the old alma mater and enjoy good food & fellowship!

For information about the Student Expo Career Fair or dates and times for each college reunion, visit www.TheNationalChiro.com

FL DC License Renewal Requirements: If this is NOT your first biennium renewal, you are required to accumulate 40 hours before March 31, 2028 in the following categories: 27 Clinical CE, 6 DOC, 2 MED, 2 ETH, 2 FLR, 1 RM. You may obtain more than the minimum number of hours in required sessions as long as your total number of hours for the biennium is at least 40. Each FCA CE event offers up to 20 hours in DC license renewal courses. The Board of Chiropractic Medicine added a 4-hour requirement ONLY for DC's certified in Acupuncture starting with biennium 2012-2014. These requirements must be in 2 hours of Acupuncture Technique & 2 hours of Acupuncture Risk Management **(THIS DOES NOT FULFILL the general RM requirement for FL DC's).**

FL CCPA License Renewal Requirements: Florida Certified Chiropractic Physicians' Assistants (CCPA's) are required to attend 24 hours of approved continuing education courses per licensure biennium, to include 2 hours in Prevention of Medical Errors. For your first biennium renewal, you must complete 2 hours MED and 1 hours HIV /AIDS. Each FCA CE event offers up to 12 hours of state-approved CE for CCPA's. To document your hours, attend any of the approved doctor courses and follow the attendance procedures described above.

* Required topics are placed in the largest space(s) available. Seating limited to number listed. Seating is first come, first served.

[^] **In-class attendance.** Scanning in & out of class with time notation is used to verify your attendance in this class.

¶ Beginning with biennium 2012-2014, the Board of Chiropractic Medicine added a 4-hour requirement ONLY for DC's certified in Acupuncture.

Are Fragmented Systems **Slowing Your Practice Down?**

Most clinics are fighting hidden growth killers:

- ✓ Too many logins and disconnected dashboards
- ✓ Tools that don't talk to each other
- ✓ Admin work stealing time from patients
- ✓ Revenue delayed by payer friction and denials

Most clinics juggle disconnected systems.

ClinicMind replaces the Frankenstein stack with one unified platform—connecting patient care, operations, and billing so every improvement strengthens the next.

One Platform.

Built for Independent Clinics.

Nutra-Hist

A Professional Solution for Supporting Histamine Balance in Your Practice

Targeted Mast Cell & Immune Support for Your Patients

Histamine imbalance can present throughout multiple body systems, contributing to respiratory discomfort, skin irritation, digestive challenges, sleep disturbances, cognitive changes, and heightened sensitivity to environmental and dietary triggers.

Nutra-Hist is formulated to support balanced histamine activity across the body's interconnected pathways, providing broad systemic support for individuals experiencing histamine sensitivity.*

How Nutra-Hist Works

Nutra-Hist supports histamine balance through two primary mechanisms:

Mast Cell Stability Support

Helps maintain healthy mast cell function and balanced histamine release.*

Multi-Pathway Histamine Support

Supports healthy histamine receptor activity across H1, H2, and H4 pathways to help promote respiratory, digestive, immune, and skin comfort.*

Whatever cloud software you're using now..... you probably don't realize it's dependent on 1970's technology from IBM.

Isn't it time you upgraded to the same 2023 era technologies used by Adobe, Apple, Google, Verizon... & ECLIPSE EHR Cloud?

ECLIPSE EHR Cloud is subscription based (no upfront costs, no contracts, no cancellation fees) and runs in your internet browser on your iPad, Mac or PC. Training is always free by appointment online or in-person at our convenient FL location near Tampa.

We've been innovating and winning accolades from state associations, independent polls & doctors like you since 1985. Now, you can simply join us in the cloud with an inexpensive monthly subscription. More ECLIPSE clients have happily retired using our software than your current vendor has clients. Contact us.

A new trail has been blazed.

The LZ30-ProZ: Our extraordinary red/infrared laser.

New paths won't be discovered when you stay the course. And we didn't. We saw the unnecessarily big and complicated options out there and then reimagined what could be. Enter the LZ30-ProZ. It's simply the smallest, most powerful, and easiest-to-use class 3B laser out there. And—you'll also be glad to know—it's the most affordable.

THREE WAYS TO WIN

DON'T MISS YOUR CHANCE!

UP TO \$10,000 IN CASH PRIZES WILL BE AWARDED!!

SIX LUCKY DOCTORS WILL HAVE THE OPPORTUNITY TO WALK AWAY FROM THE NATIONAL BY FCA WITH A PIECE OF THE JACKPOT!

The FCA – along with the official Cash Quest sponsors – bring cash prizes totaling up to \$10,000 to you! All registered DCs will receive a validation card which must be validated by official sponsors at their exhibit location. After visiting every vendor listed on the Cash Quest sponsors validation card, get set to win one of six cash prizes! Checks will be provided to the winners at the Funday Celebration in the Expo on Saturday afternoon, between 5-5:45pm. Enjoy the open bars, carving stations and great snacks available to all attendees during the reception. Visit the vendors and listen for us to call your name!

STEP 1.

Go to each booth and that company will give a special signature stamp on your card.

STEP 2.

Turn your card in (fully stamped) to the Final Destination Booth #728 - Regions Bank by Saturday at 4pm.

STEP 3.

See if you are one of the 6 winners that will win a portion of the \$10,000.

THANK YOU TO OUR CASH QUEST SPONSORS!

FUTURE DCs

MISSION: PRACTICE POSSIBLE

YOUR MISSION: Visit all participating companies and complete the 3 steps at each booth:

ENGAGE – Ask a thoughtful question about the company or its products/services.

COLLECT – Receive your student SWAG item.

ANSWER – Write down the answer to the company's trivia question on your card.

JUST FOR FUN:

Snap a selfie at each booth and post with the hashtag #PracticePossibleFCA to show you're on the mission!

PRIZE DRAWING DETAILS:

- Apple iPad
- Amazon gift card
- Gas+Coffee combo gift cards

Three winners will be selected

Drawings will take place in the Expo Hall on Saturday between 5-5:45 PM

THE PRIZE IS RIGHT ... FOR ALL DCs, CCPAs, AND CAs

A prize here, a prize there, a prize just about everywhere... well, not really. However, we love the odds of winning when there's 10 awesome prizes to be had! Each of the 10 prizes is valued between \$450 and \$500 and includes Apple products, gift cards, and much more. (No, we are not listing all the prizes here...what would be the fun in that!) To get your prize on, be sure to look in your registration bag for your Prize is Right card.

WHY DON'T SOME ADJUSTMENTS HOLD?

Discover the missing piece.

SCIENTIFIC EVIDENCE **Bone Expands with Injury!**

Vertebral distortion is not just joint fixation—it involves expansion of bone tissue that can interfere with motion, function, and the success of traditional adjustments.

Matrix Repatterning® addresses the underlying cause by reducing abnormal bone expansion and allowing the spine to repattern and stabilize.

“

Matrix Repatterning is the most powerful clinical approach I have ever come across, and I will never go back to the old way of doing things.

– Dr. Andy Stella DC, CMRP

80 YEARS

of Championing Chiropractic

This year marks our 80th anniversary. While that's a notable achievement for any company, it means even more to us.

It's **80 years** of championing the profession and the DCs we serve.

- ◆ **960 months** of knowing you deserve first-rate malpractice insurance
- ◆ **4,160 weeks** of recognizing that chiropractic care is vital to overall health and well-being
- ◆ **29,220 days** of supporting chiropractic students, the next generation of DCs
- ◆ **701,280 hours** of appreciating all chiropractic philosophies

Chiropractic was the reason we opened our doors in 1946, and it's the reason we're still here today. We look forward to the next 80 years.
